Local high school seniors Jay Iyer and Ju-Woo Nho have been named Regional Finalists for the 2021 class of the Coca-Cola Scholars Program, moving to the next round of the selection process to become a Coca-Cola Scholar and receive a \$20,000 college scholarship.

A joint effort of Coca-Cola bottlers across the country and The Coca-Cola Company, the Coca-Cola Scholars Program is the largest corporate-sponsored, achievement-based scholarship program in the United States. With the addition of the 2021 class, the [Coca-Cola Scholars Foundation](#) will have provided more than 6,450 Coke Scholars nationwide with over \$75 million in scholarships over the course of 33 years.

Jay and Ju-Woo were among 1,609 Semifinalists who were selected from over 99,000 initial applicants and is now one of just 250 students who have moved to the final selection phase, regional interviews. After these interviews are conducted in late February, 150 of the Regional Finalists will be designated as Coca-Cola Scholars in March and will each receive a \$20,000 scholarship and participate in the Coca-Cola Scholars Leadership Development Institute facilitated by program alumni. Collectively, the Coca Cola Scholars Foundation will award \$3.1 million in college scholarships to these outstanding young leaders.

"We believe that identifying these young leaders throughout the country and encouraging their passion for serving others not only empowers the students, but also lifts up those around them," said Jane Hale Hopkins, President of the Foundation. "The Coca-Cola system is dedicated to giving back to the communities they serve, and the Coca-Cola Scholars Foundation is proud to be a part of that commitment."

In addition to receiving college scholarships, those students selected as Coca-Cola Scholars will be welcomed into a vibrant and growing family of alumni that have become a powerful force for positive change in the world. Through networking, collaborations, and friendships, the group strives to make a greater impact together. Recent initiatives include a podcast called [The SIP, Coke Scholars Care](#) (Coke Scholars doing good in the midst of the pandemic), and the [fifth year of a coaching program](#) that partners seasoned alumni with first-year Scholars as they transition to college. Every 5 years, all alumni are invited to a [Coca-Cola Scholars Leadership Summit](#).

The Coca-Cola Scholars Foundation celebrates and empowers visionary leaders who are refreshing the world. With its 32nd class of Coca-Cola Scholars, the Foundation has provided more than \$72 million in scholarships to over 6,300 program alumni who together have become a powerful force for positive change.
